

Spring 2025 Certification Class

Do you want to learn more about plants?
Do you want to join a community of local gardeners?

Master Gardener training is fun and educational. Classes are taught by great speakers, local experts in a variety of areas of horticulture. Classes are every Tuesday morning for 6-7 weeks, starting early in the spring.

You will love the field trips!

To become a certificated Master Gardener, complete 50 hours of education and 50 volunteer hours by September of the year following your classroom instruction.

Texas AGRILIFE Extension Service-Master Gardener Application – 2025

I wish to become a Master Gardener in Llano County. I wish to take part in the 2025 Master Gardener Training Program offered by the Llano County Master Gardener Association in cooperation with the Texas A&M AGRILIFE Extension Service – Llano County. I understand that in order to become a certified Master Gardener, I must complete both the 50 hour training program and perform 50 hours of volunteer work within a year of the start of the class. Classes generally will be held on Tuesdays from 9:00 a.m. to 1:00 p.m. starting February 4th.
