Well, it sure feels like we are finished with our two weeks of winter and may just jump straight into early summer. Spring is always a season of transitions, and many of you know about the one happening right here at City Hall. Effective Monday, March 9, I am resigning as your Mayor and being sworn in as the Llano County Judge. To say that the past 2 years (3 if you include my time on the SRB Council) has been rewarding, it would be a vast understatement. A brief recap of notable events and accomplishments:

- Pickle Ball courts
- Health Fair
- Sandy Park land acquisition and clearing
- Boat ramp ordinance
- GSLE park septic FINALLY completed
- McNair Park Christmas lighting
- Not one, but two July 4th floods
- ESD 5 restructuring and transitioning to paid staff
- ESD Fire Station #1 complete remodeling
- T Mart reopening as Sunrise Grocery
- Mosca's/Sandbar/Court's reopening
- Eclipse party and events
- Sip and Stroll success
- Chili cookoff
- Continued cleanup of redundant/duplicative ordinances through review and codification
- Inaugural car show
- Began next phase of Water Department upgrades

And I am sure there are many I have forgotten about. All of these successes were the direct result of the dedication of City volunteers and organizations (I'm looking at you, CCAA), city staff, and your City Council. I feel that the City is in very capable hands with your new Mayor, Rick Bruns, as well as Tammy Guest and Michael Grabert stepping up to run for Councilpersons.

I have been very privileged to serve you and work alongside the dedicated City Staff. Thanks to all of you for your support!

Rob
