

Good afternoon citizens of Sunrise Beach Village, Texas. I am looking forward to representing our community as the mayor and working with our Council, Citizens, Employees and Boards. We have two new Council members joining our team, Ms. Tammy Guest and Mr. Michael Grabert. We will be filling my one-year position on council being vacated as well. I am looking forward to working with everyone and providing improved information and transparency with the city business at hand.

We have the Water Service upgrades starting this year, I/we are focused on having Bids in place by July with work starting this Fall. More information to be given as we move forward.

I am working on a Financial Dashboard that will provide tracking of our Certificate of Obligations monies monthly. We will also be designing a monthly reporting document that will provide the scope of work being planned in Phase 1 Clear Water Wells, and Phase 2 Transmission Line / HPT Booster Pumps. My goal is to keep everyone informed as we proceed with this project.

We have exciting times ahead for our community along with a experienced city staff and council to provide exceptional results.

We will be swearing in Tammy, Michael and myself this Friday at 3:00 o'clock at the Civic Center by our Honorable Judge Becky Lange. You are welcome to join us and meet your new council.

Enjoy your day within the Village, we will talk soon,

Rick Bruns
